SEE THE NEW VOGEL CREEK!

Construction on the Vogel Creek Conveyance Improvement Project is complete. The Harris County Flood Control District (HCFCD) project commenced in May 2006 and was completed in August 2008. The project included a widening and deepening of the creek from White Oak Bayou to Arncliffe Drive (approximately 8,300 feet) and replacement of three roadway bridges (two by HCFCD and one by the City of Houston).

Area residents are invited to join HCFCD for brief remarks, a short walking tour of the completed conveyance improvements and refreshments.
