

Flood Control District Home Buyout Considerations

BEFORE

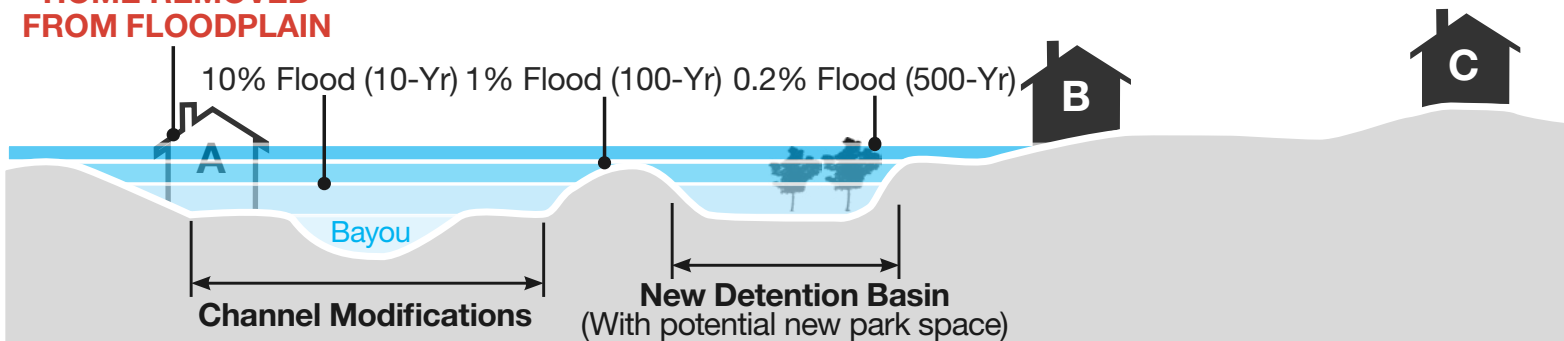

The Floodplain and Probability
Different flood events have different chances of occurring in any given year in any given location:

- 10-Year Flood: 10% Chance
- 100-Year Flood: 1% Chance
- 500-Year Flood: 0.2% Chance

AFTER

HOME REMOVED FROM FLOODPLAIN

- The family from **House A** is relocated to higher ground out of harm's way.
- Future flood damages and health and safety risks are eliminated for **House A**.
- Repetitive subsidized flood insurance payments and federal disaster assistance are eliminated for **House A**.
- The floodplain is restored to its natural and beneficial function for stormwater storage.
- Open land available through buyouts allows for further structural improvements and opportunities in alignment with community and natural values.
